SEARCH REQUEST FORM

Scientific and Technical Information Center

Art Unit. [[16] Phone Number 1-061 Serial Number: 10.700745. Mail Box and Bldg/Room Location: Results Format Preferred (circle): PAPER DISK E-MAIL. If more than one search is submitted, please prioritize searches in order of need. **********************************	Requester's Full Name: Attor Pryor Examiner #: 7458 Date: 12/3 604
If more than one search is submitted, please prioritize searches in order of need. **********************************	Art Unit: 1616 Phone Number 30-2-0621 Serial Number: 10/003,463
If more than one search is submitted, please prioritize searches in order of need. **********************************	,
Please provide a detailed statement of the search topic, and describe as specifically as possible the subject matter to be searched. Include the elected species or structures, keywords, synonyms, acronyms, and registry numbers, and combane with the concept or onlity of the invention. Define any terms that may have a special meaning. Give examples or relevant citations, authors, etc. if known. Please attach a copy of the cover sheet, pertinent claims, and abstract. Title of Invention: Inventiors (please provide full names): Earliest Priority Filing Date: **For Source Searches Only** Please include all pertinent information (purent, child, divisional, or issued putent numbers) along with the appropriate serial number. Search: (1) Structure of claim I being replied to under infected of pertinent pertinent information (purent, child, divisional, or issued putent numbers) along with the appropriate serial number. Search: (2) Agnatic pests - Sea claims 2-14, 28, 29	If more than one search is submitted, please prioritize searches in order of need.
Earliest Priority Filing Date: *For Sequence Searches Only* Please include all periment information (parent, child, divisional; or issued patent numbers) along with the appropriate serial number. Slanch: (1) Structure of claim I being applied to water infected up per claims 2-14, 28, 29. For (2) Aquatic pests - See claims 2-14, 28, 29.
